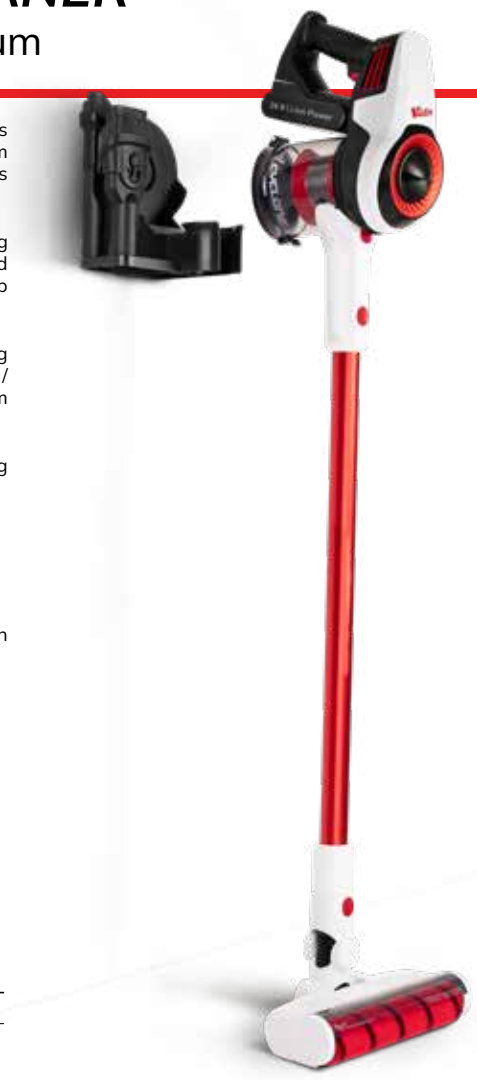
NIMROD VACUUM CLEANER

Commercial Cordless Stick Vacuum



1 YEAR WARRANTY INCLUDED

2.3 KG SUPER LIGHTWEIGHT

RUNTIME 35 MINUTES

The Victor Nimrod Stick vacuum cleaner is a commercial cordless vacuum cleaner which can either be used as a handheld vacuum cleaner for hard to reach areas, or a cordless upright for hard floors and carpets.

The Nimrod is supplied with a wide range of accessories, making it incredibly versatile for a wide range of tasks. The Victor Nimrod commercial stick vacuum features a 380W brushless motor and for up to 35 minutes operating time.

The swap out 24V high performance Li-ion battery offers 24/7 cleaning capabilities when teamed with multiple batteries. The wall charger / accessory holder ensures all tools are kept neatly whilst charging. From flat, the Nimrod can fully charged in just 3 hours.

This highly effective, easy to use stick vacuum is ideal for cleaning public spaces, schools, workplaces, hospitality and retail.
