HOW TO USE

Do not use on electronic objects.

Open the lid, remove the cover and seal. Pull a wipe from the centre, twist, and thread it through the hole. Pull through 1 inch and snap the cover back on. Tear wipes at a 45 degree angle.

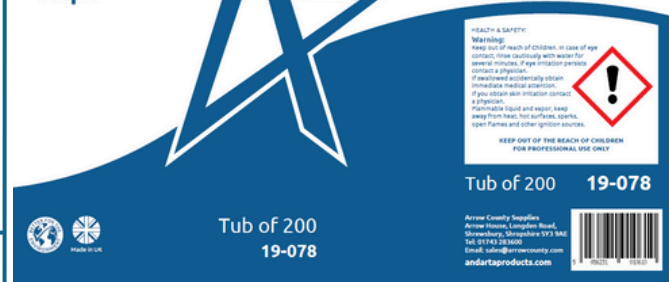

Keep the wipe tip inside the well and lid closed when not in use.

DIRECTIONS:
Open lid, remove entire cover, remove and discard seal.
From centre of wipes roll up a corner of the wipe, twist it and thread through the hole in the container cover.
Pull through about 1 inch (25mm).
Replace cover tightly. Pull out first wipe and tear off at a 45 degree angle.

WHEN NOT IN USE:
Keep the tip of the exposed wipe inside the well in the cover, and the lid snapped closed.

WHEN NOT IN USE:
Keep the tip of the exposed wipe inside the well in the cover, and the lid snapped closed.
